

SINGLE BEAD PROJECT

The Single Bead Project is an awareness campaign symbolizing your commitment to end violence towards Aboriginal Women and Girls.

One Victim is One too Many.

Take a stand against all forms of violence. Wear the Single bead to commit yourself to being a voice for change; to protect Aboriginal Women and Girls from violence.

The Single Bead represents One Person.

One Person who has been a Victim of Violence.

One Person who can carry the Message to End Violence.

One Bead, One Person, One Voice.

Aboriginal Women are over-represented among Canada's Missing and Murdered Women.
There are approximately 1200 Missing and Murdered Indigenous Women & Girls in Canada.
Aboriginal Women are three times more likely to be victims of violence.

**Aboriginal women are life givers, nurturers and protectors of family and children.
Stand in solidarity to honour and respect Aboriginal women and girls.
One Victim is One too Many.**

Southern Chiefs' Organization's Protecting Our Women Project is designed to create a safety plan for women living in the City of Winnipeg.
